Deliverance, Prayer and Blessing:

1. "By the authority of Jesus I break the human empowerment and assignments given the demons & clusters of CP1 through human demon-devotion behavior, demon-inspired behavior, submission, blood pacts, covenants and dedications. We renounce all demonic advice we have submitted to,

directly and indirectly. I break the unrighteous soul ties, networks and enchantments on the people of CP1. I break the ley lines to the power centers and strongholds of CP1.

2. I bind the demons over or in the people of CP1 to silence and impotence. I command all the clusters & the rest of the demons of CP1 to leave now and go directly and immediately to where the true Lord Jesus would send you.

Heavenly Father, I bless you and I love you.

3. Heavenly Father, I ask you to draw the people of CP1 to salvation in all areas of our lives: spirit, soul, bodies, emotions, families and finances. Please speak truth to us through visions, dreams, angels, human ambassadors and Bibles. Please replace Satan's worldviews, attitudes, identities, delusions and suggestions with Your Truth. Please give the Christians gifts of wisdom, knowledge, power,

discernment, prophecy and fear of the Lord. Please give us knowledge of your full, true theology. Please give the Christians hunger and wisdom for revival.

4. May Your blessing be upon the people of CP1, our organizations and our environments. May our hearts grow in spiritual poverty, trust in you, hope in you and love & wisdom through Your power. May our Christian personas and personalities become ascendant in our souls. May Your blessing be upon all who read this page.

I ask these things in the name of Jesus Christ of Nazareth, the only begotten son of Jehovah, who is my only master and savior. Amen."
